

VOLUNTEERS NEEDED FOR RESEARCH STUDY ON INDIVIDUALS WITH SERIOUS MENTAL ILLNESS

Do you have a serious mental illness and are working or are planning to work? You may be eligible for a study that evaluates motivation to work for individuals with serious mental illness (SMI)

You may qualify if you

- Are between 18-65 years of age
- Diagnosed with a psychiatric illness
- Continue to have or have had in the past one-year, significant difficulties that affect ability to do one or more major life activities
- Having symptoms currently or in the past one year
- Residing in the United States
- Able to read and understand English.

Participation involves completing a 15-20- minute questionnaire on Qualtrics
